

The 2026 3P Performance Lab Experience

Why Go To Camp When Camp Can Come To You?

The 3P Philosophy:

We created 3P Speech (**Personalized Performance Preparation**) in 2011 on a concept that we have not forgotten to this day:

Anyone who wants Speech or Debate coaching - no matter their demographic or financial situations - should have the opportunity to grow. Collectively, 3P has some of the most successful, creative, and innovative coaches you'll find anywhere. With over 100 NSDA, NCFL, NIETOC, and UK-TOC Semis and Final round appearances, 100's of state champions, and countless placings on the national circuit, the 3P team features some of the best forensics minds of our time.

What is 3P Performance Lab?

The 3P Performance Lab is our way of providing an elite coaching experience for an affordable price. Students will meet Monday - Friday, three (3) times a day, over the course of two (2) weeks. The morning sessions will be a lecture from one of our esteemed coaches or guest lecturers. Early afternoon sessions will focus on event specific instruction and socratic style classes. Late afternoon sessions will focus on work with each student receiving 1:1 time with the lead coach(es) for the day.

By the end of the Lab, you will have a well-thought-out and completed
speech & performance

What makes 3P Performance Lab Different:

◆ Affordability:

We believe that speech and debate summer camps are a privilege that every student should have the opportunity to participate in, but we also understand that not everyone has the luxury of being able to do so. Which is why we're bringing top-notch coaches to students at an ultra affordable price.

◆ Completely online Interaction:

3P Coaches work with your students via Zoom during the duration of the 3P Performance Lab. They will be put into specific event rooms with their event coaches. They will have breakout rooms to meet with and practice with other students as they build their performances. All work will be shared via google drive and communication will be via email.

◆ Top 3P Personnel:

The 3P Coaches you work with are some of the brightest minds when it comes to the events they coach! You will be able to work with them 1:1 moving forward should you desire to do so.

Interp/Oratory/Info Promises:

◆ Original Materials: Never will we give you a topic or cutting or a script we put together 5 years ago for a previous student.

◆ Original Performances: Never will we have you imitate a performance from yesteryear. All of our ideas for characters & environment or metaphor & narrative are outside-the-box, forward-thinking, and for you and you alone.

◆ Care for Performer Growth: 3P doesn't just want a student to leave the program with only a great speech, but with the knowledge of how to independently cultivate original and beautiful speeches over and over.

◆ A Collaborative Process: 3P Speech Coaches do not expect to do all the work in creating the speech, nor should they! In order for a performer to truly grow, he or she must be given opportunity to succeed and fail in being guided along the path to greatness. Speakers therefore are expected to have a healthy hand in leading the analysis and artistic direction of the speech or performance while being guided by the 3P Coach in cultivating that artistic voice within.

◆ Open Communication: The 3P Speech Coaches are always available for questions via email. If you're having a problem, just shoot a quick email to them and they'll be happy to help as necessary.

The Application Process:

Testimonials:

"I absolutely loved 3P! The coaches not only help tremendously, but I like to think of them as older siblings or parents--the relationship that I have kept with many of them is very endearing. Having sessions always opens my eyes to a deeper cut or a new perspective on an interpretation that can only come from a new pair eyes and brilliant coaches! I absolutely love working with anyone and everyone, and participating in the 3P program honestly just expands my love of Speech and Debate and what it means to be a performer."

- Catherine Zhang: North Allegheny HS, PA ('14 NCFL Duo SF, '14 NSDA Duo QF)

"I think that 3P is the greatest innovation in speech and debate. The ability for individualized coaching from finding your piece through perfection of blocking is the greatest asset. Of all camps and programs, 3P Speech easily has the best coaching and greatest value."

- John Henry: Holy Ghost Prep, PA ('14 Villiger OO Finalist, '14 3PWW OO & DI Finalist)
